**Allergen advice:** Due to the way our food is prepared it is not possible to guarantee the absence of allergens in our meals and we do not make a "free from" claim. We only state allergens if they are an ingredient of a product. We do not include 'may contain' information. Our menu descriptions do not include all ingredients. We source fish from sustainable sources. (V) dishes are suitable for vegetarians and (VE) dishes are suitable for vegans. If you see an asterisk (\*) next to any (V) or (VE) dish, we cannot guarantee that these dishes have been cooked in dedicated fryers. Where we state a weight, it's a raw weight and 1oz equals approximately 28 grams. We regret that we cannot guarantee that our fish, chicken, pork or beef dishes do not contain bones.

Please speak to a member of our team should you have any concerns. Full allergen information is available from a member of our team or on our website.
